Providing Support for Life's Challenges, one person, one family at a time

Volunteers Needed for the JFS Home Sweet Home Project

Make a difference in a senior's life by becoming a volunteer in the JFS We Care Corp (WCC)

Many seniors are isolated, alone and vulnerable; often weakened by physical illness, emotionally upset due to multiple losses and stressed daily by limited finances. Managing day to day alone becomes difficult. By volunteering as little as one time a month you can make a difference.

Whether you would like to provide companionship to a frail senior, share a special interest with a small group of seniors, go shopping, escort a senior to a medical appointment, or even change a light bulb (sometimes it's the simplest things that mean so much) the JFS We Care Corp is looking for you.

As part of our WCC team you will receive:
9 hours of Training
Ongoing Supervision and Support
Satisfaction in knowing you have made the difference in a senior's life

Upcoming WCC Volunteer Training beginnings
Monday, July 26, 2010, from 10 to 1
and continues the next two Mondays, 8/2 and 8/9

To Register for this Training Contact:
Sudha Narashimhan, Home Sweet Home, Project Coordinator
